Examiner's Response

- 1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 9-30-04 has been entered.
- 2. The declaration under 37 CFR 1.132 filed 30 September 2004 is sufficient to overcome the rejection of claims 1-26 based upon Stinar, Seckinger and Bolan.
- 3. The following is an examiner's statement of reasons for allowance: The rejections made in the prior Office action are overcome by the 132 declaration filed 30 September 2004.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Claus (US 5120939) discloses a security system using smart cards to access
